

IN-DESK PUNTO

A complementary addition to any desktop, Punto provides options for USB Smart Charging, single power outlet & peripheral connector ports.

PUNTO

Our Punto port hole units have a clean modern design.

Simple but effective, the Punto is fast becoming one of our most popular products.

Punto is quick and easy to install and can easily be customised to suit individual requirements.

Options include Power, USB Charging, RJ45, USB, HDMI and Audio sockets. Our most popular configurations are shown here.
